

Decorate a Pumpkin to Display at the Hindley Book Fair!

Let's get in the spirit for the **HINDLEY BOOK FAIR!**

The book fair is one of the children's favorite annual events at Hindley. As an **OPTIONAL** activity, we are inviting each child to submit a small- to medium-sized pumpkin decorated as a character from one of their favorite books! The pumpkins will be displayed in the library and other high-traffic areas throughout the school.

This can be a fun family activity where you can collaborate to show off your creative skills! The pumpkins can be decorated with paint, markers, yarn, pipe cleaners and anything your imagination can dream up. **But, please do not send carved pumpkins.** Some ideas are included below to get your creative juices flowing! Mrs. Heyde will attempt to display your pumpkin with the associated book, but if you could include a photocopy of the book cover that would be helpful in case she doesn't have it.

Please drop your pumpkins in a paper bag in the school entry area starting on **Monday, October 14th through Monday, October 28th**. Please include an index card (and a photocopy of the book cover, if possible) with the following information:

Pumpkin Submitted by: _____

Book/Character: _____

We like this character because: _____
