5. SAMPLE COVER EMAIL TO VENDORS

Dear [Vendor]:

We look forward to working with you! The Darien school district requires us to follow some review and approval procedures in connection with any third party that will be operating on school property. It will really help us streamline the review process if the materials you send us are as close as possible to the district's requirements.

- The other party to your contract should be listed as [committee chairs should fill in Hindley Elementary School or Hindley Parent Teacher Organization, Inc., as appropriate; part 2 of the guidelines explains which to choose].
- Please leave the name and title of the person signing on behalf of party blank, so we can fill it in with the right name.
- Please provide a Certificate of Insurance that covers the relevant date(s).
- If you do business as an individual or a partnership and will be paid \$600 or more, please provide a W-9.
- The school district asks that the Special Provisions section of your Certificate of Insurance contain the language below. If you have questions or concerns about this, or if adding this language will create significant additional costs, the right person to talk to will be Richard Rudl, the district's Director of Finance and Operations. In that case, please let us know whom he can contact at your insurer.
